

# NorthWest City STARTING JULY 1, 2023

Champlain Centre Mall, Wal-Mart, UVM-CVPH and the Government Center will be stops on both new city routes. These will be great **stops to transfer between the city routes** to get everywhere you want to go.

Routes are **out and back on each leg**, so you can catch the bus going in the direction you want to go! As we explained in our April 2023 public meetings, we want your travel times to and from your destination to be similar. **NO MORE LOOPS.**

If you have any questions please call (518) 561-1452 to speak with a dispatcher.

We always welcome feedback, scan the QR code to access our online survey.
